

**Large companies know  
something you don't about  
accounts payable.**

**They have  
someone else do it.**

# Introducing IntelAccount.

## What was once available only to large companies is now available to you.

At IntelAccount, we've made the most efficient, world-class accounts payable processes available to everyone. Using IntelAccount services to pay your bills replaces a labor-intensive, expensive, time consuming process with one simple action - online invoice approval. You can refocus your management and staff on profit-generating activities. And our two-hour processing guarantee makes important information available quicker than ever before.

### Improve your bottom line.

You can save up to 70% compared to your current accounts payable process. You'll pay only for the services and staff you need, when you need them. There's no more hiring or training issues, no more data entry or document storage. You can maximize vendor discounts and keep management focused on your business.

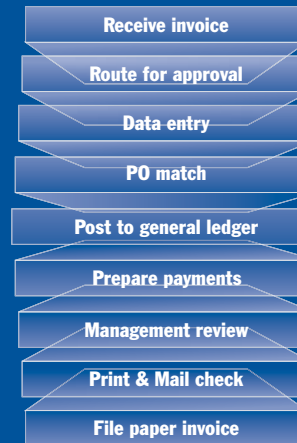

### You're in control.

IntelAccount gives you complete control over your accounts payable process. You can access your bills 24/7 with our easily searchable, secure electronic invoice database. You'll have no more lost invoices. You'll ensure that your staff adheres to your business rules. You'll even reduce fraud exposure and check theft.

### Easy to set up. Easy to learn. Easy to use.

We handle the accounts payable process from invoice receipt to final payment. Our set up process customizes IntelAccount to fit your business, and to work with your existing financial software. It's easy to learn, and easy to use. Find out more. Call us today at 888.449.8501.
